Mission Update: Your Donations In Action

In 2024, **132 women and men** came to Reach Out Pregnancy Center (ROPC) facing unexpected pregnancies and financial hardships, but thanks to the grace of God and your generosity, they found *hope, support, and a community that believes in them.*

Because of your support, our Earn While You Learn and Dads for Life programs have been able to provide invaluable resources to parents in need. Through your kindness, we've equipped these parents with essential skills, while also offering critical baby supplies—diapers, formula, wipes, and clothing—that ensure their children are cared for with love and dignity. **In 2024 alone, we were able to distribute:**

- **557** packs of diapers
- **Over 1,000** clothing items
- **31** car seats
- **45** Bibles

Each of these contributions has made a tangible difference in the lives of families who need it most. Thank you for helping us fulfill our mission to save the life of a child by not only caring for the mother and father but also empowering at-risk families to thrive.

With your support, we continue to share the hope and love of the Gospel with those who need it most.

"I always wanted to be a mommy, but I was nowhere near prepared, If this place wasn't here, I would be struggling." -Danielle, Client

“The staff was very kind, compassionate, and supportive. Our group members were courteous to each other. Through their situations, gentle guidance and group discussions, the healing process began. I felt like a weight had been lifted off my shoulders and a hole in my heart had been filled. God’s love is forgiving and healing. I’m forever grateful that this group is being offered, and I sincerely hope that there will be many others who will join the Healing After Abortion Group and let their healing begin also.”
