### GROWING IN NEED

Right now, more women are facing unexpected pregnancies without support, and **Hamilton County continues to have one of the highest abortion rates in Ohio.** With one of the state's top abortion clinic just 25 minutes from our center, every day matters. Reach Out Pregnancy Center is stepping in with compassion, resources, and life-affirming care that empowers women to choose life. **When you give, you're not just donating, you're helping save babies, support mothers, and strengthen families in your community.**
