ANNUAL REPORT 2025

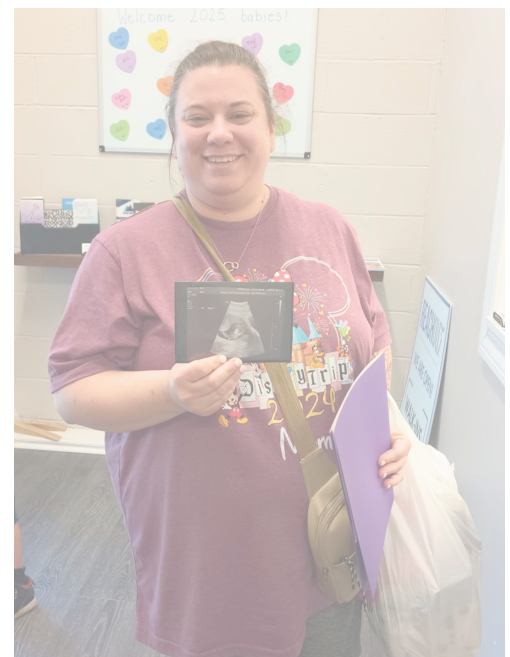

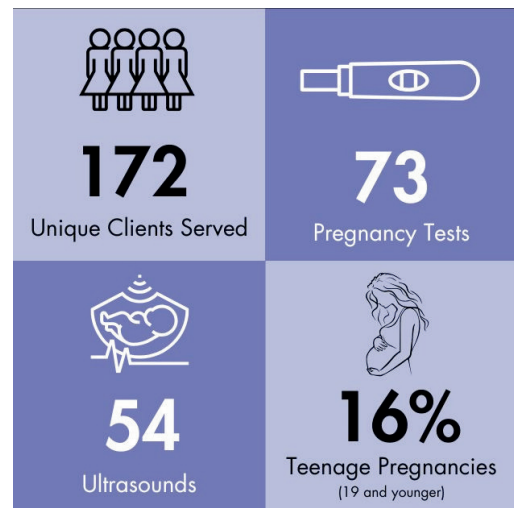

PRAISE GOD FOR A RECORD YEAR!

2025 was a year marked by God's unmistakable provision. At every turn, He supplied exactly what we needed — often through the generosity, prayers, and partnership of people like you. Because of that faithfulness, we were able to serve more clients this year than ever before in our history.

A total of 172 women and men walked through our doors and received compassionate, Christ-centered care. We celebrated the births of 35 precious babies, each one a reminder of why this work matters so deeply. Our Dads for Life program grew stronger as we supported 11 fathers and welcomed new Dad Coaches who are helping men step confidently into their God-given role.

We also began serving clients who had lost their children to foster care walking with them as they learned how to build Christ-centered homes. This led to families being reunited and parents growing healthier and more stable.

And in just a three-week span this past fall, five abortion-minded women chose life, a powerful confirmation that the services you help make possible are truly saving lives.

CLIENT TESTIMONIES

“The pregnancy center is like family. They’re the nicest ladies I’ve ever met, and they’re incredibly supportive. I’ll never regret going to the center.”

“Without my weekly visits to ROPC, I don’t think I would be at ease caring for my child. ROPC is a place I can go to and be able to express myself where no one is judged. Parenthood has its difficulties; each visit makes me feel like I’m not alone, recharges my confidence, and makes me believe in myself. It’s truly a blessing from my experience.”

“Thank you so much for your support and for all you do for all the moms and babies, you always make me feel very welcome and like home every time I go to ROPC!”

FROM CRISIS TO CHRIST: DANIELLE'S REDEMPTION STORY

Before becoming pregnant, Danielle was caught in a cycle of poor choices that affected her physical and mental well-being. **She felt lost, with no clear direction. When she found out she was pregnant, she knew something had to change. Choosing life for her baby also meant choosing a better life for herself.**

The journey wasn't easy. **The baby's father refused to help financially, leaving Danielle overwhelmed and unsure how she would make it as a single mom. With limited resources, she turned to ROPC.** Through our center, Danielle gained the skills she needed to be the best mom she could be and received diapers, wipes, clothes, and food to help care for her son.

And while Danielle was coming to our center, God was working, planting seeds of hope and love in her heart. **This past summer, Danielle made a second life-changing choice: she chose Jesus and was baptized.** We are so proud of Danielle and how far she has come. We don't always get to see these full-circle moments, but God blessed us with that story through Danielle and her son, Braven.

PREPARED TO GROW AS THE FIGHT FOR LIFE HEATS UP

God has been moving in extraordinary ways. And even as our community faces rising abortion numbers and easier access than ever before, we remain confident.

We know He is not finished. We know He will continue to equip us, strengthen us, and guide us as we work to reach more women, save more babies, and help families move from surviving to thriving.
